"All About Me" Bag Activity!

Dear Families,

To help us get to know one another during our first week of school, our class is doing an "All About Me" Bag activity!

Please help your child find 3 to 4 small items from home that fit inside this bag and represent who they are. Throughout the week, each student will have a chance to share their items with the class.

Ideas for items to include:

- A small toy, figurine, or souvenir
- A drawing or picture of something they made
- A photo of family, pets, or a special place
- A rock, shell, or object from a vacation
- A favorite small book or bookmark

Important Reminders:

Please do not send priceless, fragile, or highly valuable items.

All items must fit inside the closed bag.

Please return the bag to school by [Insert Date].

Thank you for helping us build a caring classroom community!
