

Name: _____

The Philadelphia Eagles:

The Philadelphia Eagles are one of the most well-known football teams in the National Football League (NFL). The team was founded in 1933 and is based in Philadelphia, Pennsylvania. Over the years, the Eagles have built a strong reputation for their passionate fans, tough defense, and exciting games.

The Eagles got their name from the symbol of the National Recovery Act, a program created during the Great Depression. Since their founding, the team has had many ups and downs, but they have always been a competitive force in the NFL. They won their first NFL Championship in 1948 and again in 1949 and 1960, before the Super Bowl era began.

One of the team's greatest moments came in 2018, when the Eagles won their first Super Bowl (Super Bowl LII) by defeating the New England Patriots. With backup quarterback Nick Foles leading the way, the Eagles played an unforgettable game, including the famous "Philly Special" trick play. This victory made them champions and created an unforgettable moment in NFL history.

The Eagles' mascot is a fun and energetic bald eagle named Swoop. He is a favorite at games, cheering on the team and entertaining the fans. Speaking of fans, Eagles supporters are known as some of the most dedicated in the NFL. They are loud, proud, and love their team no matter what. Their home stadium, Lincoln Financial Field, is always filled with excitement during game days.

The Philadelphia Eagles are a team full of history, talent, and passion. Whether they are winning championships or battling tough opponents, they always have the support of their devoted fans. The Eagles continue to soar in the NFL and remain one of the league's most exciting teams!

1. How many Super Bowls have the Eagles won? _____
